INTRODUCTION

The DfE has published a number of documents to guide schools on aspects of behaviour including the need for Headteachers and governing bodies to ensure they have a strong behaviour policy to support staff in managing behaviour, including the use of rewards and sanctions. The latest versions of DfE policy used including the guidance used in the development of this policy can be found at www.education.gov.uk/schools/pupilsupport/behaviour.

These include:

Ensuring good behaviour in school;
Guidance for Headteachers and school staff on behaviour and discipline;
Guidance for Governing Bodies on behaviour and discipline:
Use of Reasonable Force;
Screening, Searching and Confiscation;
Preventing and Tackling Bullying;
Statutory Guidance and Regulations on Exclusion;
Dealing with Allegations of Abuse against teachers and other staff.
Equality Act 2010

Vision Statement

Our behaviour policy is designed to reflect the Mission Statement of Blessed Trinity Roman Catholic College. Where we Love God, Serve Others, Work Hard and Value All. Our aim is to develop pupils to achieve their potential and treat everyone with respect because it is the right thing to do. They are pro-active, respectful pupils who are spiritually and culturally alert and able to contribute as Christians in the communities in which they live.

Everyone at Blessed Trinity has a responsibility to promote positive behaviour thereby ensuring that all pupils learn to the best of their ability and every member of the community are free from all forms of discrimination, harassment or bullying.

Principles and Values

Our behaviour policy is based on the key principles of:

the building of good relationships through respect for one another, for property and for the environment,

honesty,

trust and fairness,

tolerance and compassion and the values which ensure as a result of self-respect and self-discipline regardless of age, gender, race, sexuality or academic ability.

This document describes how we expect pupils at Blessed Trinity to behave, how their behaviour is monitored, praised or corrected, and how we expect the school community to function and flourish. It should be read alongside other key school policy documents, including: Safeguarding Child Protection Policy, Anti-Bullying Policy, Attendance Policy, On-Line Safety Policy and Learning & Teaching Policy.

Aims and Objectives

Expectations

At BTRCC we have clear expectations;
We walk calmly on the left
We arrive on time prepared to learn
We listen and follow instructions
We treat everyone with respect and always try our best.

Praise and Rewards

BTRCC appreciates the importance of recognising, acknowledging and encouraging good behaviour amongst its pupils.

Positive contributions by pupils can be recognised in a variety of ways:

Firstly, BTRCC has a merit system that allows staff to recognise pupil achievement on SIMS. Staff receive guidance on how to enter Merits on SIMS and should follow this advice carefully (see appendix for guidance).

Other ways in which pupil achievements can be recognised include:

- a) Positive attitudes to learning are rewarded with merits every lesson
- b) 'You've been noticed' forms given for positive acts; a weekly draw takes place in assembly and merits are given
- c) Oral praise given by a member of staff. This is an important first step in recognising a positive contribution by a pupil and building a positive relationship.
- d) Written remarks in pupils' books or pupil planners can also be used by staff to communicate recognition.
- e) Pupils achievements will be recognised by the awarding of special awards.
- f) Departments celebrate the good work of pupils through class displays.
- g) Departments can also highlight positive contributions through initiatives such as departmental praise letters being sent home.
- h) BTRCC encourages the rewarding of pupils of all ages and abilities. It acknowledges that academic ability alone is not the only way to earn recognition or merits. This can encompass extra-curricular activities and a range of personal skills and qualities which BTRCC wishes to value, promote and record.
- i) Pupils who have made positive contributions are recognised in the prefect system.
- j) Best class attendance league tables promote and celebrate attendance achievements.
- k) Special Presentation Evenings for both our Year 11 leavers and those still in school are held annually to celebrate success and praise achievement.
- l) The achievements of pupils both in and out of school are promoted in the local press/twitter and highlighted in a prominent display of media stories.
- m) Rewards trips will be organised to highlight the achievement of those meeting the expected criteria.
- n) Rewards events are arranged termly for those pupils who have not received any behaviour points

m) Termly award ceremonies are held to celebrate success in all areas.

Roles and Responsibilities

The Governing body of Blessed Trinity RC College is responsible for the development of the behaviour policy in consultation with the Headteacher, staff, parents, pupils and parents. The Governors of Blessed Trinity RC College are committed to ensuring that the school has the highest aspirations and standards for all of our young people and staff in order that they can fulfil their potential. The Governors are aware of their responsibilities under the Equality Act 2010 to promote equality of opportunity and reduce discrimination.

The Headteacher will develop the Behaviour Policy with reference to DfE guidance documentation. The Headteacher will decide the standard of behaviour expected of pupils and how that behaviour will be achieved. The Headteacher will also decide on disciplinary penalties for breaking the rules and rewards for good behaviour.

Teachers, teaching assistants and other paid members of staff with responsibility for pupils have the power to discipline pupils whose behaviour is unacceptable, who break the school rules or who fail to follow a reasonable instruction. Teachers, teaching assistants and other paid members of staff with responsibility for pupils can impose any reasonable disciplinary penalty in response to poor behaviour.

Parents are under a legal duty to ensure that their child (aged 5-16) receives a suitable full-time education either at a school or by making other suitable arrangements. Parents also have a clear role in making sure their child is well behaved at school. Parents must take responsibility for their child, if excluded, and ensure that they are not in a public place without good reason during school hours within the first five days of any exclusion. If they do not, the school or local authority may issue a penalty sanction of £60 (rising to £120). Parents must also ensure that their child attends the suitable full time education provided by the school governing body or local authority from the sixth day of any exclusion. It is expected that parents attend a re-integration meeting following any fixed period exclusion of more than five days.

Support Systems

Pupils at Blessed Trinity are supported via the pastoral support system, this may include referral to Pupil Panel to access additional support. Pupils displaying persistently disruptive behaviour may be referred for additional assessments including multiagency assessment and it may require the involvement of the school SEND provision.

Management of poor behaviour and sanctions

The information below sets out the escalation procedure that staff should follow and pupils should expect, when events fall below expectations.

Certain principles exist:

Behaviour management at BTRCC should be based on a positive and non-confrontational approach. It is not necessarily the severity of the sanctions which are applied but the inevitability that these sanctions will be applied with consistency and fairness.

Ref: Behaviour Policy

Teachers need to build positive working relationships with pupils.

The rules and standards apply to all pupils, so no pupil should be treated more leniently or more severely than any other. However, BTRCC acknowledges its legal duties under the Equality act 2010, in respect of safeguarding and in respect of pupils with special educational needs and disability . The sanction used should be in proportion to the offence. However, the previous history of the pupil may be taken into account.

When issues have been resolved, each lesson should begin with a clean slate.

Where appropriate BTRCC will encourage a restorative approach to encourage the rebuilding of relationships and prevent further issues.

Importantly even the most sensible and well-adjusted pupils can, at times, be mischievous, over-exuberant or disruptive. Therefore, BTRCC will apply sanctions where it is reasonable to do so.

However, wherever possible, pupils should be given the opportunity to apologise for their actions and likewise experience forgiveness as befits a Roman Catholic school.

It is important that whenever it is necessary to issue a sanction, they: are applied consistently and fairly and are proportionate to the behaviour displayed, respect the dignity of the pupil, and take account of any particular circumstances of individual pupils, making reasonable adjustments should the situation require them. This policy is designed to create an atmosphere where pupils recognise boundaries and behave appropriately. There may however be instances of such a serious nature that it is necessary to invoke sanctions up to and including permanent exclusion.

All examples of behavioural misconduct are for illustrative purposes only. BTRCC reserves the right to apply any behavioural sanctions where it is deemed reasonable and appropriate to do so.

Management of poor behaviour

When behaviour becomes unacceptable, staff should follow the steps set-out by the Behaviour Procedure: Stages (See Appendix). This highlights the process for staff in addressing discipline issues.

It is important for consistency that when using the 'Stages' procedure in class, staff use the appropriate language to the pupil so that they experience uniformity in how the policy is applied. The use of whole class detention is not good practice and individuals preventing the learning of others should be dealt with following the policy.

a) Initially a member of staff should look to diffuse a situation using their professional judgement and any technique they feel comfortable with. At this stage, should the member of staff deem it necessary, the pupil will usually be given an *informal warning* that their behaviour is unacceptable.

b) Should disruptive behaviour continue; the member of staff should give a **formal warning** to the pupil. The pupil must be told they are on STAGE 1 and reminded of the rules. This will be recorded in SIMS and an appropriate sanction given in consequence.

c) Should unacceptable behaviour continue after this, the pupil must be told they are on STAGE 2 and must now be removed from the classroom. Staff must call for walkabout removal who will ordinarily place the pupil in another classroom, following the departmental removal timetable. Staff **must** inform the parent of the removal, record the incident and the sanction issued in SIMS.

N.B. Removal from the classroom is not, by itself, an appropriate sanction and other follow-up action would be expected.

Ref: Behaviour Policy
Approved by Governors: June 2020
Reviewer: BAPD Team – June 2021

d) Finally, should a pupil continue to disrupt in the classroom they have been removed to, the member of staff should call for the member of staff 'on-call' to remove the pupil to the On-Call room. The Curriculum Leader will then issue a sanction in line with departmental procedures.

Occasionally, an incident may be serious enough to warrant the pupil being immediately placed in On- Call. Staff should use their professional judgement in deciding if this is necessary, the member of staff 'walkabout' will then decide upon the most appropriate course of action. This may involve removal in line with the departmental removal timetable or escorting the pupil to the On-Call Room.

Data is analysed to ensure the learning of pupils is not interrupted consistently and should it be necessary Curriculum leaders may remove a pupil from their timetabled lesson for a period of up to 2 weeks. Parents will be informed of this should this be necessary.

Repeat removals are identified daily and additional sanctions are put in place for those pupils i.e. 2 removals in quick succession will mean those pupils will lose their lunch, 3 removals in quick succession will be put into a SLT detention and 4 removals in quick succession will result in a period of exclusion and pupils being placed on a monitoring report.

Sanctions

The use of sanctions is a necessary step in ensuring that BTRCC has a calm and purposeful atmosphere.

Sanctions include the imposing of after-school detentions and the confiscation of pupil belongings.

Parents will out of courtesy be given 24 hours' notice of any after-school detentions. BTRCC does not require confirmation from parents for the detention to proceed. There is no requirement for parental consent for a detention to take place.

Activities which might occur during a detention include the completing of outstanding classwork, homework or coursework. Pupils may also be asked to assist staff in creating class displays or preparing materials. Where appropriate, pupils may well assist staff with reparation tasks. At all times, pupils must not engage in any activity that raises health and safety or child protection issues.

Detentions issued at lunchtime should not be of such a nature as to deprive either staff or pupil of a reasonable opportunity to eat, drink or use toilets. Special consideration must be given to pupils who have permission to go home for their lunch and staff must consider deferring the sanction to another time in these situations.

Systems and Steps to be Taken to Resolve Serious Disciplinary Breaches:

Serious discipline breaches may be dealt with in the following ways:

Pupils can be placed in the Senior Staff Detention on a Thursday afternoon

Behaviour that can result in this detention includes truancy from lessons, smoking on school grounds, leaving College premises without permission, persistent refusal to attend Curriculum / Year Leader detentions.

The detention can last up to 1 hour 30 minutes.

Only Curriculum / Year Leaders, in consultation with members of the Leadership Team, can place pupils in this detention.

Parents will be informed by a phone call and/or letter if their child is placed in the Senior Staff Detention.

Reviewer: BAPD Team – June 2021

24 hours' notice will be given for pupils in the Senior Staff Detention.

Pupils can be placed in 'On-Call'

Pupils can be placed in the On-Call Room for breaches of the Behaviour Policy. They may also be placed in the On-call room for incidents outside of the five teaching periods, for example for dangerous play on the yard, reckless behaviour on the corridors / stairwells, persistent refusal to follow instructions.

Pupils will be placed in the On-Call Room for a period (including break / lunchtime where appropriate) or consecutive lunchtimes dependent on the nature, time and location of the incident. Appropriate arrangements will be made for lunchtime provision.

Only members of the Leadership Team, Year Leaders and members of staff 'on-call' can place a pupil into the On-Call Room.

Pupils can be referred to an Exclusion Room

Pupils can be referred to the Exclusion Room for incidents such as persistent disruption of the On-Call Room, using foul / abusive language, being removed regularly from lessons or being in direct breach of school expectations

Pupils may be placed in the Exclusion Room for up to a maximum of ten days.

Only a member of the Senior Leadership Team or Year Leader can refer a pupil to the Exclusion Room.

Parents will be informed by telephone call if their child is placed in the Exclusion Room and, if deemed appropriate, will be asked to come into school to discuss the incident.

Ordinarily, the Exclusion Room operates in normal school hours (8.45am – 3.05pm). However, for persistent behaviour breaches or a more serious offence, BTRCC will operate the Exclusion Room from 10.00am – 4.00pm. No personal items such as bags or mobile phones are permitted inside the exclusion room. They will be stored securely and returned at the end of the day.

In addition to our internal exclusion room, on occasion it may be deemed necessary to exclude to another school for a fixed number of days. This is a reciprocal agreement between establishments.

Informal arrangements exist to support the inclusion process.

Pupils can be directed to be educated off site

Where a pupil's behaviour is such that BTRCC has tried several strategies but is unable to effect a change, alternative provision may be considered as an early intervention strategy to facilitate an improvement.

If a pupil is to be directed to attend alternative provision in order to improve behaviour, a written direction will be issued by the governing body to the parent/s. However, parents' approval is not needed for the direction to be put in place.

Pupils can be formally excluded for a fixed period

Fixed term exclusion is reserved for serious cases of ill-discipline. This is at the discretion of the Headteacher.

Only the Headteacher can exclude a pupil.

Parents will be informed by both telephone and letter detailing the reasons for the exclusion and their right to appeal any such decision. If deemed appropriate, parents will be asked to bring their child into school after the exclusion to discuss the incident.

Ref: Behaviour Policy
Approved by Governors: June 2020
Reviewer: BAPD Team – June 2021

Any exclusion exceeding five days will result in pupils being placed at another school in the area for a fixed period, usually Sir John Thursby. This is a reciprocal agreement between establishments. Informal arrangements exist to support the inclusion process.

Pupils can be permanently excluded

Permanent exclusion would be considered for pupils who show themselves incapable of reforming their ill-discipline.

Permanent exclusion will be considered in the event of one-off incidents of serious misconduct regardless of the pupil's previous history.

Serious incidents that endanger the health and safety of pupils and/or staff may result in permanent exclusion e.g. selling or bringing drugs into school or possession of a weapon or bladed article.

A pupil can be permanently excluded for incidents that occur whilst being educated with one of our alternative providers.

N.B. All exclusions from school take account of Local Authority Procedures, DfE guidelines and Salford Diocesan guidelines.

Monitoring of the Policy

All exclusions (as well as On-Call and Exclusion Room data) will be monitored to take account of the impact of this policy on pupils by racial group, gender and educational need.

The policy as a whole will be monitored and reviewed annually by members of the Behaviour Leadership Team.

Reviews will take into account the views of pupils, staff and parents. Views will be sought through the use of media such as Parent Forums and questionnaires at Progress Evenings.

The governing body of BTRCC will be asked to monitor the policy annually.

Supplementary Information

Off-site Behaviour

The provisions of this policy will be applicable in relation to behaviour outside school on school business (for example school trips, sports fixtures, work experience etc.) and also where there is a clear link between the behaviour and the maintaining of good order and discipline within the school i.e. where the behaviour of the pupils may have repercussions in school or may affect its reputation. In appropriate circumstances, the provisions of the policy will also extend to cover the conduct of pupils when they are not on school premises and not under the control or supervision of a member of staff.

BTRCC expects the highest standards of behaviour from its pupils when representing the school off-site. This includes behaviour when pupils are on school trips, sports fixtures, work experience, travelling to and from school, or behaviour when recognisable as a member of our school.

The school reserves the right to use its reward system to recognise good behaviour, or implement sanctions to pupils whose behaviour spoils the reputation of BTRCC.

Anti-Bullying

Blessed Trinity does not condone any form of bullying including those on the grounds of race, religion, culture, homophobic, SEN, disability, sexist, sexual, or on-line. The school has an Anti-Bullying Policy and should be taken as being part of this overall document. BTRCC records instances of bullying and reports these to Governors three times a year.

Racist Incidents

Ref: Behaviour Policy
Approved by Governors: June 2020
Reviewer: BAPD Team – June 2021

Blessed Trinity does not condone the use of racist language or incidents of racist behaviour. Where a pupil is found to use racist language or be involved in a case of racist behaviour, a 'Racist Incident' form will be completed. All racist incidents are recorded.

Each case will be reported to the governing body. The forms will then be held on the school's Racist Incident File detailing the incident and name of the perpetrator(s). Should the incident be severe enough to warrant disciplinary action being taken, a copy of the racist incident form will be placed on the pupil's file. Parents will be contacted to inform them of their child's behaviour and, if deemed necessary, asked to come into school to discuss the incident.

Racist incidents can occasionally occur through the ignorance of the pupil(s) involved. In these cases, pupils will be spoken to by a senior member of staff to highlight the error of their behaviour. Where the pupil is wilful and knowledgeable in their actions, they can expect an appropriate sanction to be issued.

Confiscation and Searching

Blessed Trinity RC College has the right to search, with their consent, pupils and their possessions, for items banned under the school rules.

In other situations, Senior Leadership has the right to search, without their consent, pupils and their possessions, where they suspect pupils may be in possession of prohibited items such as knives or weapons, alcohol, illegal drugs, stolen items, tobacco and cigarette papers, fireworks, pornographic images or images that could have been or may be used to commit an offence or harm. BTRCC can seize any banned or prohibited item found as a result of a search or which they consider harmful or detrimental to school discipline. They will also involve other authorities where necessary.

Staff may reasonably ask pupils to turn out their pockets / bags etc. or hand over any item which may contravene the school's expectations or cause disruption. Should a pupil unreasonably refuse to cooperate, Blessed Trinity will use its legal power to discipline the pupil.

In the case of mobile phone confiscation, staff must not search through the phone or access text messages without the pupil's permission. It may be reasonable for staff to ask a pupil to reveal a message / video but if the pupil refuses, the request cannot be enforced. Again, staff can legitimately issue a disciplinary penalty for failure to follow a reasonable instruction.

Reasonable Force

Members of staff have the power to use reasonable force to prevent pupils committing an offence, injuring themselves or others, or damaging property and to maintain good order and discipline and order in the classroom.

The Head teacher and authorised school staff may also use such force as is reasonable given the circumstances when conducting a search without consent for knives or weapons, alcohol, illegal drugs, stolen items, tobacco and cigarette papers, fireworks, pornographic images or images that could have been used to commit an offence or harm.

Should a member of staff use reasonable force it is expected that they will inform the Headteacher immediately of the circumstances of the incident and provide a written report of the event.

Criminal Law

Ref: Behaviour Policy
Approved by Governors: June 2020
Reviewer: BAPD Team – June 2021

It is important to recognise that some types of harassing or threatening behaviour – or communications – could be a criminal offence. Under these circumstances Blessed Trinity RC College may refer a matter to the Police for investigation. If school staff feel that an offence has been committed they may elect to seek assistance from the Police, but any reference to the Police should only be taken with the agreement of the Headteacher.

Awarding Merits / Recording Incidents on SIMS

Appropriate support and training will be given to all staff to allow merits and incidents to be reported,

A paper copy of this information is available upon request.

Grievance Procedure

Blessed Trinity seeks to apply the principles of this policy fairly and consistently.

Should parents and/or pupils feel cause to complain about the application of sanctions they should, in the first instance, seek to resolve the matter with the member of staff concerned. If this fails to resolve the matter, then the next step should be to bring it to the attention of the pupil's Year Leader and, if necessary, a member of the Senior Leadership Team should the matter not be resolved.

Whilst parents and/or pupils have the right to make a formal complaint about disciplinary matters to the Headteacher, the school would always first urge complainants to contact school to resolve matters in an informal manner.

Should this prove unsatisfactory, complaints can be escalated to the governing body, the local authority or other agencies as appropriate.

Covid-19

The school has a primary responsibility to safeguard the health and well-being of all staff and pupils. During this difficult time we need to make sure that we are following guidelines regarding social distancing and hygiene in order to make every effort to protect all members of our community. Therefore, whilst the country is in this situation of high alert regarding the Coronavirus and to minimise the possibility of infection in school, the Governors have adopted the following appendix to our Behaviour Policy;

We reserve the right to sanction differently during this initial period of time whilst adhering to Covid rules to ensure we can effectively protect all members of the school community. During this time pupils who are not adhering to our current behaviour policy and behaving in a manner that allows a safe environment for all, will be sent home, as per our parental letter and amended behaviour policy. Parents will be informed of the incident before the pupil leaves the school premises.

Following the social distancing government guidance, we are unable to safely implement the use of our on-call/internal exclusion room at this current time. Therefore, pupils who have been involved in unacceptable behaviour will instead be sent home. Parents will be informed of the situation before the pupil leaves the premises.

Ref: Behaviour Policy
Approved by Governors: June 2020
Reviewer: BAPD Team – June 2021

Following the social distancing guidance, we will be unable to remove pupils to another class-room. We are following government guidelines and will be limiting the movement of pupils. If a pupil behaves in a way which prevents the learning of others and the pupil continues to misbehave despite following our behaviour stages, the next stage would be to remove to another classroom, the pupil instead will be removed and sent home.

In order to safeguard the health and well-being of staff and pupils and to minimise the risk of infection: any pupil refusing to follow rules that allow us to keep social distancing will be sent home, this may include but is not limited to purposefully breaking the 2 metres distance rule between other pupils and staff.

In order to safeguard the health and well-being of staff and pupils and to minimise the risk of infection: any pupil deliberately breaking hygiene rules will be sent home and further sanctions may be given to reflect the severity of the offence. This may include but is not limited to; spitting, touching or taking another pupil or member of staff's belongings or refusing to wash hands effectively.

In order to safeguard the health and well-being of staff and pupils and to minimise the risk of infection: any pupil who is truanting, missing from lessons, out of control in the building or not where they should be at any given time will be sent home.

Unacceptable behaviour which compromises the health and well-being of staff and pupils and limits the schools ability to minimise infection includes but is not limited to the examples highlighted above.
